

# PLEASANT STREET STOOL

HICKORY CHAIR..

## *Pleasant Street Stool*

Hickory Chair

Item: 2807-30

Please call for pricing.

This versatile upholstered ottoman is rescaled from a diminutive 1920's oval stool. A tight dome-shaped top sits 18" high on a crossbow frame, with O'Brien's signature reeding detail along the legs. Use as a coffee table, ottoman or just extra pull-up seating in your living room. Also great for seating at the foot of a bed.

### **Fabric & Finish:**
